

Cray Valley Radio Society

Platinum award

To celebrate the 70th anniversary of Cray Valley Radio Society, a special 'Platinum' anniversary award is available to any licensed amateur or short wave listener who contacts/hears the appropriate number of Cray Valley stations between 1 and 28 October 2016

- 1 70 points are required to qualify for the award.
- 2 Points are as follows:
 - UK stations**
 - a. Cray Valley RS special event callsign GB70CV counts 10 points
 - b. Cray Valley club callsigns G3RCV (or GX3RCV), G1RCV (or GX1RCV), and GB2RE count 5 points
 - c. Cray Valley member stations also count 5 points
 - Non-UK stations**
 - a. Cray Valley special event callsign GB70CV counts 20 points
 - b. Cray Valley club callsigns G3RCV (or GX3RCV), G1RCV (or GX1RCV), and GB2RE count 10 points
 - c. Cray Valley member stations count 5 points
- 3 SWLs can claim the award using the same points system.
- 4 Only one contact with each station is allowed. Any amateur band may be used. Bands may be mixed or all one band/mode. No repeater or satellite contacts. Net and activity period contacts count towards the award.
- 5 A list of stations worked/heard should be sent to:
Platinum Award Manager, Cray Valley Radio Society, 93 Elibank Road, Eltham, London SE9 1QJ, England
 showing date, time, band, mode, reports exchanged.
- 6 The award is an engraved plaque. The cost is £6.50 (UK) or \$8.50 (outside UK). If applying by post, £8 (UK) or \$11 (outside UK). Cheques should be made payable to "Cray Valley Radio Society".

List of qualifying members as at 12 September 2016
